Dear Mr. Steve Lunetta,

I would like to congratulate you on your endorsement from our organization, Citizens For A Better America® (CFABA.ORG). As you now know, it is a very rare candidate that receives an endorsement from our organization.

You can see your ranking as compared to other candidates by clicking on the following webpage: [<http://www.goodguyslist.org/CA/ca02000.htm>].

Citizens For A Better America® (CFABA.ORG) was founded on October 15, 1992 for the purpose of helping to elect morality and values based candidates from the very lowest to the very highest political positions all over America and continues with that mission today.

Citizens For A Better America®, is a national, grassroots, independent, nonconnected political committee. We help to elect candidates who are pro America first, pro heterosexual marriage, pro life, pro 2nd amendment, pro USA sovereignty, and pro constitutional. Unlike some organizations that focus on just one of these issues we focus on all of them.

You and your supporters can see your completed CFABA.ORG Candidate Questionnaires™ with your answers to all thirty nine (39) of the questions we asked you, along with your one hundred percent (100%) ranking you received, by clicking on the following webpage: [<http://www.goodguyslist.org/CA/ca02017.htm>].

The answers you gave on our CFABA.ORG Candidate Questionnaire™ plus the two additional steps that you took to obtain our endorsement, which included completing a private Background Check Form™, demonstrated to us that you are the type of candidate we are proud to endorse.

You have the full endorsement of our leadership team, (see our leadership team at [<http://www.cfaba.org/cf01002.htm>]) and our organization. Our leadership team and our members have committed to help CFABA.ORG with a minimum commitment of seventeen cents a day, five dollars a month, sixty dollars a year, and are hoping that we will find individuals just like you. They realize our country is under attack on many different fronts and that we need to know where the candidates stand not just on the issues but also in their core principles.

Again, Steve Lunetta, on behalf of Citizens For A Better America® (CFABA.ORG) we are excited to be endorsing your candidacy for the Newhall School District Governing Board in Los Angeles County, California for the November 08, 2005 election. Out of hundreds and hundreds of candidates you are the only candidates receiving our endorsement for this election.

May God Bless You and May God Bless the United States of America.

Sincerely,

Robert Colaco  
Volunteer National Chairman, Founder  
Citizens For A Better America® (CFABA.ORG)
