

GOOD CANDIDATES AWARDS go to the following for taking tough stands for a moral America with economic soundness. REWARD THESE GOOD FOLKS, SEND THEM TO FIX THE MESS, IN SACRAMENTO AND WASHINGTON. As we have done above, these good candidates are in alphabetical order by last name. Those that are currently in Congress voted exactly opposite those on the Kick Out List. Please look to see if your candidate is on our list and your one vote will be absolutely critical for them. Also, your one vote will be absolutely critical for the ballot measures on the back page. Do not let the media rob you of your motivation to vote. Their exit polls are their way of controlling the election. Do not allow them to manipulate your vote.
