

"GOOD GUYS (AND LADIES)" - LIST. VOTE FOR THESE: FOLKS :

GOOD CANDIDATES AWARDS go to the following for taking tough stands for a Moral America, with economic soundness. This is not a slate, the candidates listed have not paid to be on our list. They are interviewed and researched by our team before we endorse them as "Good Guy's (and Ladies)". REWARD THESE GOOD FOLKS, SEND THEM TO FIX THE MESS, IN YOUR CITY, YOUR COUNTY, SACRAMENTO AND WASHINGTON.

These good candidates are in alphabetical order by last name. ON THE SECOND PAGE DOWN PLEASE LOOK UNDER YOUR COUNTY to see if the candidate on your Ballot is on our list.

Your one vote will be absolutely critical for them. Also, your one vote will be absolutely critical for the ballot measures on the back page. Do not let the media rob you of your motivation to vote, their exit polls are their way of controlling the election. It "ain't over till the Registrar sings". Do not allow them to manipulate your voting.
